

2023 CATALOG

Black Rain Ordnance was founded on the desire to create an AR-15 of exceptional quality, reliability, and value. Since 2009, we have made it our mission to be a manufacturer of premium firearms that provides above standard service to our customers. We're proud to say that our mission remains the same today.

Black Rain Ordnance is now in its 14th year of business. We are humbled and appreciative to say the least. It's because of you, our loyal family of followers, that we have been able to achieve great accomplishments in our industry. Our offerings have expanded into custom rifles and accessories, an extensive line of apparel, and comprehensive training and training facilities for both law enforcement and individuals that want to improve their firearms knowledge.

Our promise to you is that we will continue to advocate the 2nd Amendment, create state-of-the-art firearms, relentlessly pursue perfection, and manufacture rifles that can be utilized and appreciated generationally.

Thank you for your patronage and for allowing us to be your trusted manufacturer of choice! Welcome to the B.R.O. Family.

Justin Harvel
President, Black Rain Ordnance

Black Rain Ordnance, Inc. is a precision firearms manufacturer specializing in the modern sporting rifle design. Founded in 2009 with a benchmark to only manufacture weapons we would personally be proud to own and operate. With an elite team of craftsmen, we've turned our ideas into a reality by creating a lifestyle anyone would desire to be a part of. We use American materials so that each of our products are truly an authentic American creation.

BLACK RAIN ORDNANCE SPEC SERIES

Black Rain Ordnance manufacturing standards are prominent throughout our line of Spec Series weapons, allowing us to produce the highest quality rifle with a cost-effective price tag. The chromoly barrels and black nitride bolt-carrier groups in the Spec Series combine to provide the reliability and dependability you expect from the BRO family of rifles. Whether it's your first rifle or another supplement to your collection, the Spec Series is a great addition to your lineup.

LAW ENFORCEMENT SERIES

Black Rain Ordnance knows it requires a certain breed of individual to serve and protect the community. That is why we have devoted a special line of rifles specifically configured to protect the ones who protect us. Each BRO law enforcement rifle is equipped with a seal of approval laser engraved on every lower receiver and is available only to the law enforcement community. Ensure yourself that when a threat arises you know your rifle was built to the highest standard Black Rain Ordnance offers.

BRO SILENCERS

Black Rain Ordnance is proud to provide shooters with the industry-leading Epsilon Baffle Technology. This patented system allows for outstanding sound reduction, flash signature reduction and accuracy enhancement all with low heat gain. Shooters will also enjoy a major reduction in excessive back pressure. This relief will not only ease felt recoil but will also add longevity to the working parts of your weapon, the barrel and the bolt carrier group. All BRO Silencers are offered with threaded end caps that are removable for disassembly, making cleaning and maintenance simple. Made from Stainless Steel, they are as durable as they are reliable. Whether you are an officer, competitive shooter, hunter or hobbyist, make Black Rain Ordnance, your choice for suppressed shooting.
